

Registration for Next Year 2025-2026

Once you have decided to attend Small World for the upcoming fall programs, please fill out the attached registration application, along with your registration fee of \$50.00 plus your first tuition payment and return it to Jayne at drop off or dismissal.

Please return the paperwork as soon as possible since we will be offering our openings to the public on February 1st. AM sessions fill up quickly!!

We will try to accommodate your preferences as to AM/PM placement however, it is sometimes impossible to give everyone their first choice. Your class placement will be determined by your date of enrollment. Your date of enrollment will be the date I receive your application and check.

Thank you for selecting Small World for your child.
